PROFESSIONAL EXPERIENCE

LAND OFFICE | LOS ANGELES, CA — December '24 - Current

Architectural Intern

- Developed early concept designs and schematic design packages for high-end residential projects using Rhino, Illustrator, and InDesign.
- Created and updated Construction Document sets in coordination with consultants using AutoCAD and Bluebeam.
- Managed drawing markups, permitting, and zoning/building code research.
- Created permit trackers to monitor and clear outstanding building permits.

SHDG | LOS ANGELES, CA — August '24 - December '24

Draftsperson

- Produced construction documents and wall assembly drawings using Revit, detailing waterproofing, window/door systems, and material connections.
- Coordinated concrete shop drawing revisions with contractors and project engineers.

MORIA LITERARY MAGAZINE | BURBANK, CA — August '24 - December '24

Production Editor

- Managed layout and production for Issue 14, from selection to publication.
- Designed spreads that unified visual and written content.
- Resolved formatting issues and optimized print-ready files.

JORDANA MAISIE DESIGN STUDIO | LOS ANGELES, CA — May '21 - August '21

Architectural Intern

- Produced layouts and visuals in Illustrator and Photoshop for the studio's website.
- Compiled project archives and annotated design iterations to support portfolio publication and website updates.
