Experience

Jordana Maisie Design Studio

Jun'21-Sept'21

Architectural Intern

Los Angeles, California

<https://jordanamaisie.com/>

Jordana Maisie Design Studios is a multi-disciplinary design studio based in Los Angeles and producing award-winning projects around the world. The studio offers services in architecture, interior design, lighting design, furniture design, landscape design and public art commissions; featured in titles including FRAME, Harper's Bazaar, The New York Times, Surface, and WWD.

- Helped in designing and editing architecture projects
- Complied and documented different projects, along with relevant articles & research

South Indian Model United Nations (SIMUN)

Nov'16 - Nov'19

Charge d'affaires

Coimbatore, India

<https://www.simunglobal.org>

South Indian Model United Nations was started to restart a dead MUN circuit in the south Indian belt. Before the COVID-19 pandemic, SIMUN was the largest MUN conference in south India, measured by number of people in attendance. I served as a member in the founding team.

- As part of the core team, I led design, marketing and logistics for over 2500+ attendees.
- Facilitated website design and promotional material.

Education

Woodbury University

2020-2025

<https://www.noma.net/>

Volunteering

Coimbatore COVID Aid

Jun'21-Nov-22

Head of Design

Coimbatore, India

<https://aidcbe.org>

A grassroots student-led initiative where we have supported over 2000 individuals through vaccination drives, crowdfunded donations of oxygen cylinders to hospitals, and provided food for those affected by COVID.

- Led a team of 10 student designers
- Flyers, Posters, Press Kit, Brand Book and Website Design
- Private and crowdfunding planning
